## SENIOR PRIVILEGE PARENTAL PERMISSION FORM

### Open Campus Policy

**Senior Policy:** Seniors with free class periods during the day may leave campus during that time and they may leave the campus for their lunch break. All students must sign in/out at the front desk. A signed permission form must be on file with the front desk personnel for seniors to leave campus. Students who are tardy to their next class period or who abuse this privilege in any way will forfeit the privilege as outlined in the code of conduct section of this handbook. The administration reserves the right to revoke off-campus privileges individually or as a group.

I, parent or guardian of the above-named student, hereby give my senior permission to leave campus during their lunch period. We (parents/guardians/student) understand that if this privilege is exercised, that the above stated policy must be followed. We also understand that there is no guarantee that the privilege will be reinstated, once they have been forfeited.

The Covenant Preparatory School will also not be held liable for any activity that occurs while said student is off campus.
